Dear Ms. Figaro:

This is to acknowledge receipt of your April 17, 2017 correspondence concerning your complaint against Judge Eric D Eighmy.

Please be advised that the determination of whether a judge's rulings are "in violation of the constitution or violation of Federal, State, or Local laws" falls within the jurisdiction of the appellate courts. The Commission on Retirement, Removal and Discipline is not an appellate court. The Commission has no authority to overrule a judge's decision in any given case.

Sincerely,

James M. Smith
