Dear Ms. Figaro:

Please be advised that the Commission on Retirement, Removal and Discipline has completed its review of your complaint against Judge Eric D Eighmy.

The Commission does not have the authority to consider a complaint concerning judicial error, mistake in the application of law, or other legal reasons for appeals. The Commission cannot review judicial decisions because such is the role of the appellate courts. Violations of the Code of Judicial Conduct are the only matters over which the Commission has authority.

At the conclusion of its review, the Commission voted that there was no legal basis to proceed. Consequently, the file has been closed.

Sincerely,

A handwritten signature in blue ink, appearing to read "James M. Smith".

Administrator and Counsel
